

SHORT COURSE IN THE FUNDAMENTALS OF BUSINESS RESCUE AND ADMINISTRATION OF INSOLVENT ESTATES

In these uncertain times, businesses are finding themselves in financial distress. Fortunately, business rescue was introduced into the South African landscape, along with set rules, processes and guidelines for the administration of insolvent estates. This online, interactive course covers the fundamentals of business rescue, voluntary surrender, sequestration or liquidation and covers the planning and administration of an insolvent estate, including the winding-up of a company.

COURSE DELIVERY

This short course is delivered by The Tax Faculty through the virtual campus and webinar platforms. Assessments will take place via formative and summative assessments.
