

## SPECIALIST DIPLOMA: TAX PROFESSIONAL (ACCELERATOR PROGRAMME)

This bridging programme for experienced tax practitioners provides participants with the advanced skill to practice as a tax consultant and advisor. Successful course participants will be eligible to apply for membership of the South African Institute of Tax Professionals (SAIT) and the designation Tax Advisor (SA). Completion of this course, as well as the knowledge, practical skills and workplace experience modules, provides entry into the final external integrated summative assessment (EISA) which is administered by SAIT and the Quality Council of Trades and Occupations (QCTO).

### COURSE DELIVERY

The Tax Faculty recognises that learning is achieved through past experience and therefore the learning journey will begin with a diagnostic from which tailored learning journeys are implemented, giving you the best opportunity to gain your qualification without having to start from scratch.

The knowledge and practical components of the course are delivered via The Tax Faculty's virtual campus and webinar platforms whilst the final EISA exam is administered by SAIT at an additional fee. On successful completion of the EISA, you will receive the Tax Professional Occupational Qualification from QCTO.

### COURSE OUTCOME

The occupational tasks of a Tax Professional include the demonstration of the following competencies at an advanced level:

- Registering a taxpayer and finalising income tax, payroll tax and VAT returns.
- Reviewing or auditing tax balances.
- Mediating tax disputes.
- Writing tax opinions.
